

# HEROS

## BARBER CHAIR

A chair with utmost comfort for clients and hairstylists. The backrest is reclinable and adjustable to any position required for make-up/masks applications or any other services provided by the salon.

Its disc-base with wide seam ensures excellent stability. Easy height adjustment by means of hydraulic pump adjustable in height and rotation by a foot-activated pedal. HEROS Barber Chair is fitted with a footrest adapting to the seat position via the backrest tilt. Ergonomic headrest with manual adjustment on top of the backrest .

It provides your clients with an excellent level of comfort.

Its design is functional, featuring timeless shapes, seat dimensions and materials. The elegance of its lines allow to blend perfectly into all styles of salons. A wide range of fabrics and colors is available. Delivered fully assembled, ready for use in your salon.
