FixxRx Pro Sessions Hair Dryer now available in BRAND NEW classic White!

FIXX^{RX} PRO SESSIONS HAIR DRYER CLASSIC WHITE

- Powerful AC motor produces greater air flow
- Ceramic tourmaline seals in moisture, reducing drying time
- Easy-to-control with separate speed and heat settings
- "Cool Shot" button to set style in place
- Gentle far-infrared heat and low Electromagnetic field (EMF) prevents damage to hair
- Lightweight design helps reduce Hair Stylist fatigue
- 4m power cord
- Air flow concentrator and diffuser included
- Classic WHITE shade - Available now!
- Also available in BLACK

Designed with the guidance of industry-leading professionals, the Fixx^{Rx} Pro Sessions Hair Dryer delivers beautiful results with expert-level power and performance. With the highest heat and air force available on the market today, the Pro Sessions Dryer allows you to speed through a blow-out by significantly reducing drying and overall styling time, while its ergonomic and lightweight design reduces hair stylist fatigue.
