High performance for high standards.

## FIXX<sup>RX</sup> PRO HAIR DRYER

- Separate speed and heat settings for more control
- "Cool Shot" sets the style in place
- Low electromagnetic field prevents hair damage
- Far-infrared technology produces a more gentle heat flow
- Lightweight design reduces arm, wrist and finger fatigue
- 4m power cord, concentrator and diffuser included

With its 2000 watts of power and ceramic tourmaline technology, the Fixx<sup>RX</sup> Pro Hair Dryer significantly reduces drying time. It is remarkably lightweight while, at the same time, its high heat and strong air current provide professional styling capabilities.
