Luxurious styling in the palm of your hands!

FIXX^{RX} PRO SESSIONS FLAT IRON

- Digital Temperature Control sustains steady temperatures up to 450°F with heat recovery time of 1 second
- Diamond coat plates allow for a smoother pass and shinier finish to hair
- Dynamic Alignment System provides the perfect contact between hair and plates, eliminating damaging “hot spots”
- Generates far-infrared heat penetrating into the hair shaft, locking in moisture and hair color
- 4m power cord

The FixxRx Pro Sessions Flat Iron changes everything! It is ergonomic, powerful and heats up INSTANTLY to create the perfect styling experience day after day. It's performance capabilities are the best in the industry; producing straight, wavy or curly styling results faster than you've ever experienced before.
